

# Forestry Capital Grants Scheme

Grants to support investments across the forestry sector.

The Yorkshire Dales Local Action Group (LAG) invites applications for investment and development grants from new and existing micro, small and medium businesses located within the rural Yorkshire Dales LEADER area

This grant is to support projects to:

- Introduce new technology, goods, processes and timber services
- Create new jobs and employment opportunities in forestry and timber processing
- Generate energy from locally sourced timber
- Address market failure in the local forest supply chain
- Bring local woodlands into management
- Strengthen the forestry and timber processing supply chain
